RE: Hazardous Waste Transporter Permit #069506160T

Dear Mr. Grad:

The Bureau of Solid and Hazardous Waste Management has reached a final administrative decision on your application for a permit to transport hazardous waste within the State of South Carolina. The information used in making this decision includes the permit application, evidence of financial responsibility for sudden and accidental occurrences, and other supporting documentation. This information indicates that your company meets or exceeds all of the requirements set forth in Regulation 61-79.9 for the issuance of a permit to transport hazardous waste.

Enclosed you will find Hazardous Waste Transporter Permit #069506160T issued to Mr. Frank Inc. in accordance with the South Carolina Hazardous Waste Management Act and regulations promulgated pursuant thereto. This permit is valid for a period of three (3) years from the date of issuance and renewal may be sought by following the procedures outlined in Regulation 61-79.9 H.

As you are aware, many changes are occurring in the Federal hazardous waste program and more are anticipated in the future. Some of these will necessitate revisions in our present State requirements and at such time as the Department accomplishes the necessary regulatory changes, you will be required to comply with any applicable portion of such revisions.

Thank you for your cooperation. If you have any questions, please don't hesitate to call (758-5681) or write this office.

Sincerely,

Hartsill W. Truesdale, P.E., Director
Division of Facility Engineering
